6. Baker, Scott

As a point of order, Dr. Mach disclosed that he was (inappropriately) contacted by applicant Dr. Baker after the last Board meeting to inquire why his application was not approved. Dr. Mach stated he had no substantive conversation with the applicant and redirected him back to Board staff with any questions.

Also after last meeting, Dr. Chrisagis was contacted via e-mail/text by Dr. Baker's potential employers who are Arizona licensed optometrists. He stated he had no substantive conversation since the doctors reached him via e-mail at which time, Dr. Chrisagis responded via e-mail stating he could not speak with them; and redirected them to contact Board staff with any questions.

Both doctors Mach and Chrisagis stated there was no substantive conversation with any of the parties. Therefore, they have no bias and are able to make an objective determination on this application.
